Fremont and Richfield Traffic Control Access Gates Update

The Town published the Request for Proposal (RFP) for this project but did not receive any valid bids from the first round. The bid packet was revamped and the Town has received a few bids this time around. They have not yet been reviewed.

The plans are available to view on the Town of Foxfield website at <https://www.foxfieldcolorado.com/bulletin-board/traffic-control/>.

The timeline has been pushed out due to this issue but the Board is still hoping to have the gates installed by the end of the year.

The 2020 Census at a Glance

Counting everyone once, only once, and in the right place.

The U.S. Census Bureau is the federal government's largest statistical agency. We are dedicated to providing current facts and figures about America's people, places, and economy. Federal law protects the confidentiality of all individual responses the Census Bureau collects.

The U.S. Constitution requires that each decade we take a count—or a census—of America's population.

The census provides vital information for you and your community.

- It determines how many representatives each state gets in Congress and is used to redraw district boundaries. Redistricting counts are sent to the states by March 31, 2021.
- Communities rely on census statistics to plan for a variety of resident needs including new roads, schools, and emergency services.
- Businesses use census data to determine where to open places to shop.

Each year, the federal government distributes more than \$675 billion to states and communities based on Census Bureau data.

In 2020, we will implement new technology to make it easier than ever to respond to the census. For the first time, you will be able to respond online, by phone, as well as by mail. We will use data that the public has already provided to reduce followup visits. And, we are building an accurate address list and automating our field operations—all while keeping your information confidential and safe.

Arapahoe County Sheriff's Office

Flashing Yellow by Deputy Lara Dreiling

We've all been there, you're driving down the road, running a little late when you see the flashing yellow light telling you there's a school zone. There are no kids around anyway, so why are the lights flashing? Do you really have to slow down?

School zones are supposed to help keep kids safe as they come and go from school. Yet every year, students are injured or killed while walking or riding their bikes to school. Most people think that only means before and after school, but that's not always the case. Many of our local high schools have an open campus which means students can come and go throughout the day, including their lunch hours and off periods.

So who is responsible for keeping students safe? Is it reasonable to expect a kindergartner to follow all the rules of the road or know how long it will take a car to stop to allow them to cross a crosswalk? Or to expect the middle school student to make sure the car won't roll through a stop sign while they are crossing a crosswalk?

The answer is **IT IS YOUR RESPONSIBILITY**. Children are not born with an innate understanding of traffic laws. It takes time to learn these rules. Even many adults don't understand all the rules. As drivers, we need to be extra vigilant in and around school zones throughout the day. Here are some basic things drivers can do to avoid an accident and maybe even save a life.

- Slow Down – The chances of a pedestrian being killed if struck by a vehicle increase as the speed of the vehicle increases. This is particularly true with children, who are smaller than adults.
- Stop – Come to a full stop at stop signs. This includes stop signs on the side of the road, those held by crossing guards, and those on the side of buses.
- Put down the phone – or whatever you are doing that takes your eyes off the road. Don't eat breakfast, put on your makeup, read or do anything that distracts you.

Remember kids do unexpected things all the time. Remain vigilant while driving near schools. The couple extra seconds it will take you to get through the school zone may save the life of a child.

Recruiting Temporary Workers for the 2020 Census

The recruiting of hundreds of thousands of temporary workers for the 2020 Census – often described as the nation’s largest civilian mobilization — is now underway.

The U.S. Census Bureau is recruiting 2.7 million people across the country to assist with the 2020 Census count. The week of October 21, 2019, the Census Bureau will host 2,020 recruiting informational events around the country. This is your opportunity to learn more about the jobs so you can earn some extra income while helping your community.

Hundreds of Thousands of Workers Needed

In the spring of 2020, the Census Bureau will launch the largest 2020 Census field operation, known as Nonresponse Follow-up, Census Takers will knock on doors to follow up with households who have not responded to the census questionnaire.

Applicants can qualify for both field and office positions. The office positions, which are more limited, will be located in area census offices. The role of these offices is to recruit, select, hire, train, manage, and pay all office and field staff who work within the designated boundaries of the geographic territory assigned to the office.

The Census Bureau is in the process of opening 248 offices to support the 2020 Census. As these offices become ready for business, they are listed at 2020census.gov/jobs/pay-and-locations.

Easy to Apply

Applying for one of these jobs is simple. Just visit 2020census.gov/jobs or call 855-JOB-2020 and select option 3 for more information. Pay rates for field and clerical jobs can be found at 2020census.gov/jobs/pay-and-locations.

Those who are being considered for a position will receive a telephone interview. If offered a job, they will receive instructions on next steps via email.

Applicants will need to complete paperwork online and make an appointment to get fingerprinted for the background check. Once they are offered the job, there will be a period of time before their start date to allow time for the background clearance process. To search for possible management positions, go to USAjobs.gov.

**United States
Census
2020**

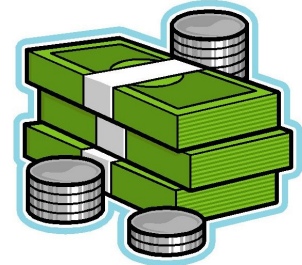

Most applications will remain active throughout the 2020 Census and may be considered as positions become available.

Apply today!

Town of Foxfield 2020 Budget

It is budget time again! The Board will hold a study session to discuss the 2020 proposed budget on November 7th, 2019 and a budget public hearing is scheduled for December 7th, 2019.

The Town of Foxfield has three funds: The General Fund, the Open Space Fund and the Conservation Trust Fund.

The General Fund is the major operating fund of the Town and is used to account for all financial activities that are not required to be accounted for in another fund.

The Open Space Fund was created to account for sales tax revenues generated from the Arapahoe County Open Space ballot measure (Resolution No. 030381). The Town receives a shareback of the tax revenues collected. These funds may be used to acquire real property and easements, and to improve, restore and protect open space. The funds may also be used for environmental education programs.

The Colorado Revised Statutes require the establishment of the Conservation Trust Fund if a local government desires to receive state allocations of funds for the acquisition, development and maintenance of park and open space properties. The Colorado Lottery is the primary revenue source of this fund.

A rough draft of the 2020 budget document can be found on the Town of Foxfield's website at www.townoffoxfield.com. Any questions or comments regarding the budget can be emailed to the Town Administrator, Karen Proctor at kproctor@townoffoxfield.com.

Barking Dogs

Please do not allow your dogs to bark for hours at a time.

Foxfield Municipal Code, Sec. 7-2-50. Noisy dogs.

- (a) Any owner, keeper or possessor of a dog commits a class 2 petty offense if such dog individually makes, or in combination with another dog or dogs together, makes any noises which are audible from an adjacent or nearby property for a continuous twenty-minute period, such noises being separated by pauses, however slight, during said continuous twenty-minute period.

Not only is it hard on the dog, it's very intrusive and annoying to your neighbors and can result in a summons to court and a fine of up to \$1,000.

INTEGRITY PROFESSIONALISM SERVICE *Representing Buyers and Sellers since 1995*

I offer a comprehensive approach to marketing your home from preparing it for sale to a successful close. It is important that your realtor both appreciates this wonderful community we have and understands its uniqueness. I will be by your side for the entire journey.

- Initial meeting to determine your goals and timeline
- In depth market analysis to determine best listing price strategy
- Provide advice on preparing and enhancing your home to capture top dollar
- Extensive marketing
- Skilled Negotiations
- Successful close

Foxfield is truly a special place to live and raise a family. We have lived here since 1997, raised 4 children and now our grandchildren are enjoying country living. I believe so much in this wonderful community that I have served on the Board of Trustees as both trustee and Mayor since 2008. Trust the sale of your home to someone who truly understands and cares about this community.

A UNIQUE COMMUNITY DESERVES A UNIQUE APPROACH

HOMEBUYER'S BIGGEST REGRETS

According to a survey performed by Porch.com, homeowners stated the following regrets:

#1 - buying a home that was too small. You can always remodel or upgrade a house to make it "yours" but it's difficult and costly to fix a house that's too small

#2 - not saving enough money before buying for maintenance and repairs. Only 52% of homeowners had planned for home maintenance in the first year-despite the fact that most of them were buying a used home.

Where did these homeowners spend the most money the first year? 16% said new appliances, 13% invested in a new roof, 11% replaced a furnace or AC unit, 10% did additional landscaping and 9% replaced flooring.

New roofs, furnaces, AC units - did they not have an inspection done prior to purchasing the home??

MINUTES—BOARD OF TRUSTEES MEETING July 18, 2019

Call to Order/Roll Call

The meeting was called to order at 6:31 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

The following Trustees were present: Dave Goddard, Debby Farreau, Pam Thompson, Scott Freas, and Mayor Lisa Jones. A quorum was present.

Audience Participation

Josie Cockrell, 16691 E. Easter Court, had some general questions regarding zoning.

Consent Agenda

Mayor Jones moved, seconded by Trustee Goddard, to approve the following items on the Consent Agenda:

- a. Approval of Minutes – May 16, 2019
- b. Financial Reports – May and June 2019

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda

None

Traffic Control Gates

Erica Olsen provided an estimated timeline for the gate construction. If we can publish the first call for bids next week, the

Municipal Code Revisions

Town Administrator Proctor presented a list of recommended revisions to the Municipal Code. The Board was asked to come up with any other suggestions they have for the list prior to the Board proceeding with a major Code revision.

Fourth Addendum to the Terracare Agreement

The Board identified several changes that need to be made to the 2019 Rate Sheet. Mayor Jones moved to approve the Fourth Addendum to the Terracare Agreement with the following changes:

Remove the ROW broadleaf weed spray, \$4,671.00 per occurrence (2), for a total of \$9,342

Island maintenance, remain at 16 occurrences, Town reserves the right to cancel when not necessary

Remove fertilization of Open Space, \$750/occurrence (3), for a total of \$2,250

That brings the total approved amount of the contract to \$47,935.50. Following a second by Trustee Farreau, the motion passed by unanimous voice vote.

Resolution 2019-02 Authorizing a Supplemental Appropriation for Fiscal Year 2019

Due to some unbudgeted expenditures for the Open Space Fund for bird houses and a gas waste station, a supplemental appropriation is required. Trustee Goddard moved to approve Resolution 2, Series 2019, Authorizing a Supplemental Appropriation to the Open Space Fund in the amount of \$400 for fiscal year 2019. Following a second by Trustee Thompson, the motion passed by unanimous voice vote.

Ordinance 2019-01 Amending Chapters 1, 7 and 8 of the Foxfield Municipal Code Concerning Days of Imprisonment Imposed by the Municipal Court

Pursuant to House Bill 19-1148 passed by the Colorado Legislature, the Foxfield Municipal Code requires an amendment to lower the maximum days of imprisonment that a municipal court may impose upon violators from 365 days to 364 days. Mayor Jones moved to approve Ordinance 2019-01 Amending Chapters 1, 7 and 8 of the Foxfield Municipal Code Concerning Days of Imprisonment Imposed by the Municipal Court. Following a second by Trustee Thompson, the motion passed by unanimous voice vote.

7231 South Quintero Street Appeal and Variance Final Orders

Mayor Jones moved to approve the Final Orders regarding 7231 South Quintero Street. Following a second by Trustee Farreau, the motion passed by unanimous voice vote.

Reports

Mayor

Mayor Jones reported she received a letter asking the Town to remove goose droppings in Foxfield. The Board agreed this was not a feasible undertaking.

Mayor Jones noted that the 4th of July celebration was awesome and Trustee Thompson did a great job organizing the event.

Members of the Town Board

Trustee Freas reported on the vandalism to the Town of Foxfield lettering on the retaining wall at the west end of Foxfield Village Center. Town Clerk Gallivan reported she received pictures of the vandalism in progress and has forwarded them to the Arapahoe County Sheriff's Department.

Trustee Freas noted damage to the pavement at the intersection of E. Easter Avenue and S. Buckley Road. It is believed that damage occurred when IREA shut off the gas due to the lightning-caused fire along Hinsdale. Town Clerk Gallivan will check with Erica Olsen at SEH about repairs.

Trustee Freas asked about the northern boundary of Foxfield and was assured the south side of Arapahoe Road is within Foxfield and the Town is now receiving some revenue from traffic citations issued along that stretch.

Trustee Thompson received a complaint about the June 14 charity concert, asking that the Town institute a permit for this type of large event. She reported that she received only the one complaint while three other neighbors noted they had no issues with the event. Mayor Jones reported there was one other noise complaint due to the concert.

Trustee Thompson reported the dog waste stations are being used so often they need to be emptied more often than every other week.

Trustee Thompson noted there are still many faded stop signs. When Town Clerk Gallivan gets a count of the signs for replacement, she will order that to be done.

Trustee Farreau asked if the increased minimum fines have decreased the numbers of tickets issued. Town Clerk Gallivan reported she has not noticed a decrease in the number of citations.

Staff

Town Clerk Gallivan asked about dates for the Community Garage Sale, Large Item Pickup and Fall Clean-Up. All three will happen on successive week-ends in September; Town Clerk Gallivan will set the dates with Republic Services.

Town Clerk Gallivan reported that Chris Pratt is no longer with SAFEbuilt so the Town will have a new code enforcement officer assigned.

Adjournment

Mayor Jones adjourned the meeting at 7:24 p.m.

MINUTES—BOARD OF TRUSTEES MEETING August 15, 2019

Call to Order/Roll Call

The meeting was called to order at 6:30 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

The following Trustees were present: Amy Snell-Johnson, Dave Goddard, Debby Farreau, Pam Thompson, Scott Freas, and Mayor Lisa Jones. A quorum was present.

Audience Participation

Tom Ruha, 7451 S. Telluride Court, requested a *No Through Street* sign on S. Telluride Court.

Jerry Zoellner, 16915 E. Costilla Avenue, stated he is against allowing ATVs on Foxfield streets. He has no objection to golf carts.

Allyson Zoellner, 16915 E. Costilla Avenue, is opposed to ATVs on Town streets but would allow golf carts. She also noted that while she is sympathetic to those who have lost pets, residents need to learn to live in harmony with wildlife. She is opposed to the Town taking any action against the coyotes.

Consent Agenda

Mayor Jones moved, seconded by Trustee Freas, to approve the following items on the Consent Agenda:

- a. Approval of Minutes – July 18, 2019
- b. Financial Reports – July 2019

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda

None

Coyotes

In light of several recent coyote attacks on pets, Town Administrator Proctor presented a recap of the information that was distributed to residents in February regarding co-existence with coyotes. Town Clerk Gallivan will request that residents keep their fields mowed so as not to provide an attractive habitat for the critters. Town Administrator Proctor will work on gathering more information on mitigation options to share with residents.

Off-Highway Vehicles

With the comment that allowing ATVs on town streets could prove to attract such vehicles from nearby communities, thereby increasing the volume of traffic and noise in Foxfield, the Board determined to take no action on this topic at this time.

Pay Increase for Town Clerk

Town Administrator Proctor noted that Town Clerk Gallivan had not received an increase in salary in January, as is customary. Mayor Jones moved to approve a 5% increase for the Town Clerk from \$26.65 an hour to \$28.00 an hour retroactive to January 1, 2019. Following a second by Trustee Farreau, the motion passed by unanimous voice vote.

Reports

Members of the Town Board

Trustee Freas requested clarification of the definition of legacy buildings relating to a previous Board discussion.

Trustee Thompson received a complaint about shipping containers being used illegally as permanent storage. She will work on a list of locations where these containers are located.

Trustee Thompson reported that a resident has asked for some considerations at the Fremont gates to keep people from turning around on his property.

Trustee Thompson requested an update on the crack filling. Those cracks that were missed in the Spring cycle were filled at no additional charge to the Town on the day of the meeting.

Trustee Farreau noted that the Chili Fest will be held on Saturday, September 28 at the Kooi residence.

Trustee Farreau reported on an influx of homeless camping in the area and asked the Board to consider an ordinance banning camping within Town limits.

Staff

Town Clerk Gallivan displayed the Loss Prevention Award plaque from CIRSA for the Outstanding Accomplishment in the Management of a Successful Loss Control Program 2018.

Executive Session

At 7:23 p.m., Mayor Jones moved to go into an executive session to confer with the Town Attorney for the purposes of receiving legal advice on specific legal questions pursuant to C.R.S. 24-6-402(4)(b).

The executive session ended at 8:06 p.m.

Adjournment

Mayor Jones adjourned the meeting at 8:07 p.m.

MINUTES—BOARD OF TRUSTEES MEETING September 5, 2019

Call to Order/Roll Call

The meeting was called to order at 6:30 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

The following Trustees were present: Lori Finch, Debby Farreau, Pam Thompson and Scott Freas. A quorum was present. Lori Finch was chosen as Acting Mayor Pro-Tem.

Consent Agenda

Trustee Farreau moved, seconded by Trustee Freas, to approve the following item on the Consent Agenda:

- a. Approval of Minutes – August 15, 2019

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda

None

Traffic Control Gates

Town Administrator Proctor reported that only one partial bid had been received. She presented several options for the next step and the Board chose to ask SEH to separate the two components of the bid. Once those documents are prepared, SEH, Town Administrator Proctor and Town Clerk Gallivan will contact several contractors and invite them to bid on the project. Town Administrator Proctor hopes to have some feedback on the process by the next meeting on September 19.

Reports

Members of the Town Board

Trustee Freas noted some complaints about culverts in the vicinity of Norfolk and Costilla being clogged by soil washing into them from ROWs that do not have rip rap installed. The residents would like the Town to install rip rap where erosion is occurring.

Trustee Freas reported on complaints from residents in the northwest about traffic generated by the number of meetings at the Jehovah's Witness Kingdom Hall.

Trustee Thompson had some questions about road resurfacing in the 2020 budget. Town Administrator Proctor assured her that discussion would be included in the budget meetings.

Trustee Thompson noted that the dog waste stations were not being emptied once a week. Town Clerk Gallivan will remind Terracare to perform that service.

Trustee Thompson volunteered to create a map for the Community Garage Sale.

Trustee Finch noted some recurring code violations that need to be addressed.

Trustee Finch reported an aggressive driver and asked Town Clerk Gallivan to request increased vigilance from the off-duty officers.

Adjournment

Acting Mayor Pro-Tem Finch adjourned the meeting at 7:38 p.m.

Interested in Serving On the Town of Foxfield Board of Trustees?

Election Day is April 7, 2020.

Nomination Petitions will be available beginning Tuesday, January 7, 2020 for candidates interested in running for municipal office in the Town of Foxfield in the April 7, 2020 election. The first day the petitions may be circulated is Tuesday, January 7, 2020.

There will be four seats up for election, Mayor and three At-Large Trustees. The term of office is four years. The Board of Trustees meets once a month, on the third Thursday, with an occasional meeting on the first Thursday. There are other time commitments throughout the year as well. Pay is nominal and there is much responsibility; the rewards, however, are great.

To be a candidate for the Town of Foxfield Board of Trustees; you must:

Be a citizen of the United States of America

Be at least 18 years of age as of the date of the election

Have been a resident of the Town of Foxfield for twelve (12) consecutive months prior to the election

All Town of Foxfield Board of Trustees elections are non-partisan.

Completed petitions must be returned to the City Clerk on or before Monday, January 27, 2020 by 4:00 p.m. Petitions and other required forms will be available on the website on January 7 or by calling the Town Clerk, Randi Gallivan, at 303-680-1544.
